AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 12.2

AXIS Audio Manager Edge - AXIS OS 12.2

January, 2024

- Added option to reset music volume to default value at midnight every night.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 12.2

The screenshot displays the AXIS Audio Manager Edge web interface. On the left is a navigation sidebar with the following sections:

- AXIS COMMUNICATIONS** (with logo and menu icon)
- Dashboard**
- SOUND CONFIGURATION**
 - Music volumes
 - Sound calibration** (highlighted with a yellow bar)
- SCHEDULING**
 - Announcements
 - Advertisements
 - Music
 - Opening hours
- PAGING**
 - Paging recipients
- CONFIGURATION**
 - Physical zones
 - Accessories
 - User management
 - System settings

The main content area is titled **STORE** and has three tabs: **VOLUME** (selected), **NORMALIZATION**, and **SOUND PROFILE**. Below the tabs is a button for **Default audio site calibr...**. Under the heading **Physical zones**, there are two entries: **Staff room** and **Store**, each with a zone icon.

On the right side of the interface, there are sections for **Content type** and **Music volume**. The **Reset to default** toggle switch is highlighted with a red rectangular box.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 12.2

- New calendar view for improved visual overview of advertisements and announcements schedules.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 12.1

AXIS Audio Manager Edge - AXIS OS 12.1

November, 2024

- Added a target API endpoint that makes it possible to adjust different volumes within the system.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 12.0

AXIS Audio Manager Edge - AXIS OS 12.0

October, 2024

- Added a target API endpoint that makes it possible to get online/offline status of devices.

For more information about the API, see developer.axis.com/vapix/audio-systems/axis-audio-manager-edge-api.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 11.11

AXIS Audio Manager Edge - AXIS OS 11.11

July, 2024

- Physical zones

A new "All devices" page has been added for physical zones. This gives you a convenient overview of all devices in the audio site. It is also where you now find your unassigned devices.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 11.11

See help.axis.com/en-us/axis-audio-manager-edge#set-up-physical-zones

- **Paging sources**

Paging sources has been renamed to **paging recipients**. Together with this name change, we took the opportunity to make the configuration of paging recipients easier.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 11.11

The screenshot displays the AXIS Audio Manager Edge web interface. The top left corner features the AXIS Communications logo and a hamburger menu icon. The main header area is labeled 'WAREHOUSE'. The left sidebar contains a navigation menu with the following sections and items:

- Dashboard
- SOUND CONFIGURATION
 - Music volumes
 - Sound calibration
- SCHEDULING
 - Announcements
 - Advertisements
 - Music
 - Opening hours
- PAGING
 - Paging recipients** (highlighted)
- CONFIGURATION
 - Physical zones
 - Accessories
 - User management
 - System settings

The main content area is titled 'Paging recipients' and includes a search bar with the placeholder text 'Search for paging recipients'. Below the search bar is a table with the following columns: Priority ↑, Name, and Targets. The table contains five rows, each with a priority number (1-5) and a corresponding name and target area.

Priority ↑	Name	Targets
1		
2		
3		
4		
5		

See help.axis.com/en-us/axis-audio-manager-edge#set-up-a-paging-recipient

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 11.10

AXIS Audio Manager Edge - AXIS OS 11.10

April, 2024

- External RTP paging recipient

There's a new paging recipient called 'External RTP' that makes it possible to page audio using an external RTP stream.

AXIS Audio Manager Edge

AXIS Audio Manager Edge - AXIS OS 11.10

See help.axis.com/en-us/axis-audio-manager-edge#paging-with-rtp-stream
